HOT FOOD APPLICATION

Maybe you've all heard of a tiny little event in Nevada called Burning Man? Well we have been given the opportunity to have vendors on a graded lot off of the main Hwy in Empire, NV **during Burning Man**. They estimate 70 thousand participants that pass back and forth during the event.

This event is perfect for those of you that have an RV and are self-contained. It isn't impossible to commute back and forth from Fallon, Fernley, or Reno but staying out there would be the most ideal. This way you would also avoid the inevitable traffic during the day.

Unless you did shows with us in 2016, no application will be accepted without atleast two photos of your work and display!
